1. You can read in the news about sex and crime
About murders and burglars and thieves all the time
About AIDS about drugs about crackdealers too
About leaders who got dirty business to do
About terror and error and war all around
But I tell you old Satan we gonna pray you down

2. Jesus stood there in the desert land
All alone with the rod in his hand
After forty days and after forty nights
He saw the devil standin' right by his side
He said to Jesus: Do it on your head
And change these rocks into some bread
But Jesus said as king who was crowned:
You ain't got a chance because I pray you down
